

Dear Potential Sponsor,

Thank you for viewing our website. Bass Finatics, NH's first family oriented bass fishing club, is a registered Non-Profit organization that has sponsorship opportunities available for both businesses and individuals.

The primary purpose of our organization is to promote and encourage family and youth fishing and offer them the opportunities and experience of fellowship, recreation and sportsmanship. All Sponsorships are through the end of the current year and are renewable each January.

Silver (Sponsorship donations of \$50.00 - \$149.00) will receive:

- A formal letter from Bass Finatics thanking you for your generous donation to our club.
- A banner/button on the Bass Finatics website that would link to the sponsors own website. If the sponsor does not have a website, we will create a single page display to advertise their business.
- A commitment from all club members to promote our sponsor's products.
- Honorable mention in all press releases, both local and national.

Gold (Sponsorship donations of \$150.00 - \$249.00) will receive:

- Silver package, plus:
- Your name will be printed on this year's t-shirts/sweatshirts if you are signed up with us by March 30, 2010
- Your name will appear on one or more plaques that will be awarded at various family events

Platinum (Sponsorship donations of \$250.00 or more) will receive:

- Silver & Gold packages, plus:
- Your name will appear on at least two plaques that will be awarded at one or more family events
- A banner/button with your name will be on our home page in addition to the sponsors page

We encourage our sponsors to take an active role in this club. Participate in our events with us and our families. We are again making a limited offer to some of our early sponsors: the opportunity to bring children to one of our family tournaments and give them the chance to compete in a fishing tournament along with a parent on one of our fully rigged bass boats.

It would be an honor and a pleasure to have your organization as a sponsor for our club in 2010.

Very sincerely,

Mike Lytle
President, Bass Finatics
