

Dear Potential Sponsor,

Thank you for viewing our website. Bass Finatics, NH's first family oriented bass fishing club, is a registered Non-Profit organization that has sponsorship opportunities available for both businesses and individuals.

The primary purpose of our organization is to promote and encourage family and youth fishing and offer them the opportunities and experience of fellowship, recreation and sportsmanship. We are also affiliated with NH BASS Federation Nation, which as you may already know allows club members the opportunity to pursue the [Bass Master Classic](#). All Sponsorships are through the end of the current year and are renewable each January.

For sponsorships that start after January 1 they will be prorated as follows:

\$150 - If received January 1st to June 30

\$100 - If received after July 1st

1. A formal letter from Bass Finatics thanking you for your generous donation to our club.
2. A small banner/button on the Bass Finatics website that would link to the sponsors own website. If the sponsor does not have a website, we will create a single page display to advertise their business.
3. A page in our monthly newsletter will be dedicated to thanking our generous sponsors.
4. A commitment from all club members to promote our sponsor's products.
5. Honorable mention in all press releases, both local and national. (we expect good press coverage in 2009 from B.A.S.S.)

We are also going to make a limited offer to some of our early sponsors: the opportunity to bring children to one of our family tournaments and give them the chance to compete in a fishing tournament along with a parent on one of our fully rigged bass boats. I am available to speak to you in person or on the phone if you have any questions. It would be an honor and a pleasure to have your organization as a sponsor for our club in 2009.

Very sincerely,

Mike Lytle
President, Bass Finatics
